## **Cream Wrinkle Filler**

The Miracle Immediate Wrinkle Filler is available from Minus417. The cream, made from a combination of natural chestnut seed oil, calcium, and clay,

is made to fill expression lines and penetrate deep into wrinkles. A blend of vitamins A and E help rejuvenate and protect against free radicals. The cream also contains caffeine to provide a firming effect, and wheat germ, *Oenothera*, unripe avocado oils, and natural minerals from the Dead Sea to keep the skin moist. The wrinkle filler is recommended for all skin types.
