10.30.11

In honor of the upcoming holiday season, I am lucky enough to host a giveaway featuring six great products with a prize value of about \$740.00! Keep for yourself or give some as presents!

ANTI AGING KIT

www.Minus417.com – Retail Cost: \$228.97

TIME CONTROL RECOVERY A CREAM

- A special intensive treatment cream fights wrinkles and signs of aging.
- High concentration of retinol (vitamin A) that plays essential roles in appearance of skin, growth, development, and maintenance of healthy skin.
- Collagen and essential oils with the Vitamin Mineral Complex that prevents moisture loss.
- Improves firmness and elasticity of the skin and prevent signs of aging.
- Effective for all skin types.

TIME CONTROL FACIAL ACTIVE SERUM

- Highly concentrated serum for firming and smoothing skin.
- Because the serum is solely water-based, a higher concentration of active ingredients can be combined with it than other creams.
- Energizing vitamins that aid in cell rejuvenation and minerals improving the balance of moisture in the skin.
- Effective for all skin types.
